

# KIOSK COMPONENTS

DEPENDABLE

Kiosks are frequently used and require durable, high-quality components that can withstand wear and tear. Our general catalog features over 6,000 products, and we offer customization options to provide a vast selection of functional, size, and material options for kiosk components.

Sugatsune is proud to offer a comprehensive lineup of hardware components with high load capabilities, quality, and precision, making them the perfect choice for reliable kiosk components. Our product range includes hinges, casters, handles, lid support, catches, latches, and linear glides. We have been providing solutions to OEMs and design-build firms in the U.S. for over 40 years and maintain local stock in the U.S. for your convenience.

## HINGES

Concealed Hinges  
HES3D Series

Dual Axis Torque Hinges  
HG-T30S15, HG-T70S30

Concealed Torque Hinge  
(for sheet metal)  
H95TSH-F

Stainless Steel Torque Hinge  
HG-TP

Swivel Torque Hinges  
HG-S Series

## HANDLES

Handles  
SJH, MJH

Aluminum Pipe Handles  
MTH

Stainless Steel Folding Handle  
HKM Series

## LID STAYS

Soft-Down Stays  
NSDX

Balance Adjustable Spring Loaded Lid Stay  
S-ATJ

## CASTERS

Bearing Rollers (HD)  
JS300

High Durability Urethane Wheels

Caster With Leveling Glide  
AF-65

Magnetic Catches  
MC-159, MC-JM45,  
MC-JMF54

Stainless Steel Lever Latches  
LL-66S

## LINEAR GUIDES & SLIDES

NEW

Multi-Roller Linear Guide  
MLGX25, MLGX-25C-8

Multi-Roller Linear Guide  
MLG20, MLG-20C,  
MLG-20-P55-40

Aluminum Mini Slides  
AR3-16

Full Extension Slides  
ESR-10
